

Certificate of Analysis

RiboCraft Alpha (*vivo*) RNA Transfection reagent

Product No: AAN1L10006

Lot No: LP0241017

Expiration Date: 18-Oct-2025

Contamination

Material is processed through a 0.2 µm filter.

Result: Meets specification

Performance Testing

The product is tested by particle size measurement and by *in vitro* testing in HEK 293T cell lines.

Result: Meets specification

Statement

For Research Use Only. Not for use in diagnostic procedures.
